**SCOUTING REPORT ON CJ MASSINGALE:** At 6'4" CJ is your ideal combo guard with excellent ball handling and scoring skills. He is a great finisher in the open court and can also lead the fast break due to his ball skills and passing. He is an excellent shooter who can shoot from beyond the 3 point line as well as create his own shot off the dribble. CJ is a good rebounder and an effective defender, plus he possesses an extraordinary work ethic. He is a great on ball defender and he has a knack for getting offensive rebounds. C.J. is a big perimeter player who can play the point. He is very comfortable, very confident and very skilled at that position. He has the ability to score the basketball and with his size he gets to the basket and can score in traffic. CJ is an outstanding person on and off the court. He is a born leader who leads by example with his excellent work ethic and motivation to be a winner.

### University Of Washington Head Coach LORENZO ROMAR On Cj Massingale:

"C.J. is an outstanding offensive rebounder... He is the best offensive rebounding perimeter guy that we have on the team... C.J. has a knack for finding ways to get that ball up to the basket... Whether it is by stealing the ball, rebounding the ball or just getting the ball in traffic in garbage situations, he has a knack for getting that ball into the hole... He came on a recruiting visit to Saint Louis when I was there and I didn't know he was that good of an offensive rebounder in high school."
