SCOUTING REPORT ON DUEZ HENDERSON: Duez has competed at the professional level for 6 years, after completing a rewarding 4 year career at the University of Iowa. During this time he has led his team in scoring and rebounding 4 times, while serving as team captain 5 times, among other honors. He has also just completed his first season as Head Coach, in Leipzig Germany. Duez has taken his passion for youth basketball to Europe also. Every season he has either conducted clinics or been involved in the development of youth players. He not only brings great knowledge of the game, but a great passion to help players become the best player that they can.

An athletic forward/guard that can truly play both inside and out on both ends of the floor. Very skilled player that can exploit mis-matches created by his versatility. Knockdown shooter who can stretch the defense. Like a coach on the floor with his great leadership qualities. Experienced in European basketball, sure to be an asset to any club both on and off the floor. Has moved 3 different clubs up to higher leagues in his career. **A PROVEN WINNER!**
