SCOUTING REPORT ON ERIC SANDRIN: Eric is an incredible athlete with versatility to add to his many gifts. He has the size to go with the jumping ability to rebound on the inside. Quickness, ball handling skills, and a picture perfect jumper to play on the wing. Eric would be a great fit with an athletic team that likes to run, but has the basketball knowledge and IQ to run and lead a team in the half court. He can really fill the lanes and finish with a spectacular dunk in traffic. He's very intelligent, charismatic, and professional. Fluent in French and Portuguese, comes from a multi-cultural family, and has a degree in European studies, so he has no integration problems in Europe, Asia, or anywhere in the World.
