## SCOUTING REPORT ON JOSH CLARK:

Josh is a strong athletic guard with the ability to attack the basket in the half court and a smooth finisher in the open court. He is an excellent shooter from 3pt range that can create his own offence and comes off screens exceptionally well. He is a tenacious individual and team defender. He rebounds the ball well on the defensive end and can also hit the offensive boards. Josh is an all out great team player that looks to create for teammates and do whatever it takes to help the team win.
