SCOUTING REPORT ON KEVIN JOLLEY:

A solid rebounder who ranked among the top rebounders in the Northeast Conference during his career. A physical presence in the paint; has solid footwork and post moves; shoots for a high field goal percentage. Combination of strength and quickness allows him to compete against taller opponents. Good post defender; likes to battle for rebounds and interior points. Works hard on both ends of the floor. A quality addition to a professional club.
