**Scouting Report on Sebastian Lukin:** Sebastian is an excellent 2-way defenseman. He works very hard while on the ice to generate opportunities for his teammates and to stop the opposing team's offensive output. Has a big shot from the blue line (18 goals in 13 games last season). Strong at taking faceoffs as well in key situations (Former Centerman). Has a good eye for the flow of the game and is great at intercepting the breakout passes. On the powerplay he can be the playmaker or the guy with the big shot.
