SCOUTING REPORT ON ABDULLAH ELSAYED: Strong left-handed Forward who can also go right. Plays any position between 3-5. More comfortable at the 3-4. **Confident shooting the 15ft jump shot, as-well-as facing up and driving to the basketball. Strong post up game and can handle the ball up and down the court.** Defensively, **help-side game is the strongest part of his defensive game. Loves to rebound the ball especially on defense**, not allowing the second shot. In college his teammates would call him "**the Garbage man**" because he would always **put back many missed shots by out rebounding his opponent.** He continuously **strives to improve.** Always the **first one on the court and the last one to leave.** Off the court, he runs **local youth basketball camps.** He was the **assistant coach for the CAA centre in Detroit, MI.** It was a program geared to help displaced children with low self-confidence regain that confidence by keeping them off the streets. Would help with their homework by tutoring, mentoring and monitoring them.
