**SCOUTING REPORT ON BOJAN MALESEVIC:** An NBA-Sized PG. In the last 5 years

Bojan was the best passer in two continents (three seasons in Europe & two in Asia with fantastic stats.) He set LEAGUE RECORDS in Assists & Triple-doubles. Bojan won League and Cup CHAMPIONSHIPS each of the last 3 seasons in Georgia, Saudi Arabia and Oman. He played in All-Star games & has been voted as the best player in the league. Bojan has excellent fundamentals. His court vision and passing abilities are unbelievable. He's very smart & he understands the game very well. At 6-7 Bojan is a very unique play maker who plays with his face and back equally good. He is an excellent rebounder from the guard position. Teams have problems stopping him in one on one and pick and roll situations. Bojan is a Team Leader who knows how to win.

"Bojan Malesevic is writing fantastic basketball stories in Poland. After only 2 games in his new club, Unia, this man broke Polish record in number of assists on one match. Believe or not, Malesevic collected 18 assist in match against Astoria. But that is not something strange for this player who was one of the best in this category wherever he played" - by Serbian journalist:
