SCOUTING REPORT ON RICARDO AMAYA: Ricardo is a Champion everywhere he plays. Excellent marksman, scores points on penetration, low post and especially, capable of scoring in decisive moments. Very complete on defense in man to man and always in line of pass. Good physical and technical conditions. Very complete player in all the crucial moments of the game but especially an excellent shooter: in movement, using screens and well located. Not selfish at all and intense in defense. Very disciplined on and off the court.
